The McGuffey Girls Basketball Team would like to participate in a KSA Events nationwide tournament this December. The event will take place at the Disney ESPN Wide World of Sports Complex in Orlando, Florida.

The complex is a 220 acre state of the art facility located within Walt Disney World. It is the #1 host site for youth sporting events in the United States.

The girls will have the opportunity to compete against teams from all over the country and Canada. It will be a great bonding experience for them as a team and as friends.

In addition to the tournament experience, some of the players will be flying for the first time, and for a few this may be the only time in their life to experience such an event. They will also gain the educational experience of visiting Disney World, one of the most popular destinations in the US.
